## WELCOME

Greetings from Mrs. Musser! I wanted to take a moment to share a few exciting things with you! At the beginning of each month, I will send home a "Home & School Connection" resource for you! Please take a couple moments to read some of the great ideas and suggestions to help you stay connected with your child, as well as the school! We all share a common goal and that is the success of your child! 😊

## ALL ABOUT ME

I am so excited to be a part of the John Glenn family! I have worked in education as a teacher and now counselor for the past twelve years!

I spend my free time enjoying the outdoors and sports with my husband and two daughters!

My ultimate goal is for every child to grow, learn, and have fun while developing the tools needed to be successful in life!
